

NATIONAL HONOR SOCIETY

FINANCIAL MANAGEMENT ASSOCIATION

Objectives

Financial Management Association (FMA) is one of the largest and most active student organizations at SJSU. The focus of this organization is to give its members opportunities to learn about careers in finance, network with professionals and alumni, and provide career and internship opportunities. National Honor Society (NHS) is a part of FMA that requires special requirements for its members to join. These special requirements make NHS members stand out among other FMA members. One of the advantages of being an NHS member is to have exclusive access for networking with prestigious companies in Silicon Valley with exclusive social events.

Vision

The vision of the Financial Management Association is to be the global leader in developing and disseminating knowledge about financial decision making.

Goals of National Honor Society

- Provide members with exclusive networking with many prestigious companies in Silicon Valley
- Make members more recognizable to the companies by being NHS
- Broaden networking areas, not only within corporations, but also with financial institutions like investment banking, commercial banking, and personal financial advisor

Requirements:

- GPA: minimum 3.25
- Minimum of two finance related classes
- Attach an unofficial or official transcript with the application
- Promoting the development and understanding of basic and applied research and of sound financial practice
- Enhancing the quality of education, especially in finance
- To have fun and to enrich our members' college experience by building a sense of community

Additional Attendance Requirements:

- 50% professional development meetings
- 1 social and 1 volunteer event
- Mandatory attendance at both NHS social events (Friday, March 7th and Tuesday, April 15th)

Note: Attendance requirements are mandatory. If you cannot make it to any of the events, please contact the NHS Directors for further information.
